

Before You Go To The Pharmacy

- Be sure to have your prescription filled at a pharmacy on the eVoucherRx™ network. You can find pharmacies near you online at <http://evoucherrx.relayhealth.com/StoreLookup>.

Call your insurance provider to confirm:

- Is my prescription covered by my insurance?
- Have I met my deductible so that I qualify for coverage?
- If covered, what should the cost be for 1 month supply?
- If my prescription was covered prior to January 1, 2018, are there recent changes that may have impacted my coverage.

At The Pharmacy

- If the pharmacist tells you that your prescription is not in stock, ask to have it ordered. They should be able to get it to you within 24 hours.
- DO NOT** switch to a prescription that your doctor did not prescribe.
- Ask your pharmacist if they have a recurring refill program.

Universal EMR Instant Rebate Codes

For all pharmacies not able to participate in the Avion e-voucher program we offer a universal ID that will allow the patient to enjoy instant savings off of each prescription. Please present the IDS below for the appropriate prescription and the savings will be automatically applied to the prescription.
